Please register by July 24, 2026

The Cause

Harmony Communities is a 501c3 nonprofit organization that provides housing opportunities and promotes Christian community for adults with special needs. Presently we serve 48 residents living their lives to the fullest across 7 different properties....24 residents living in our 4 amazing adult foster care homes, 10 residents living in apartments at Elmwood Lake, and 10 residents living downtown at Hudsonville Flats. Earlier this year, we completed renovations on a home in Allendale, providing housing for 4 individuals. Our portfolio of housing opportunities is becoming uniquely diverse. There isn't another organization in Ottawa County that offers the array of options we have: homes in the suburbs, apartments in the city, and properties for those individuals wanting to embrace a more rural environment. All of these opportunities are integrated into communities where our residents can become productive members of the workforce, participate in day programs with friends, worship in our churches and participate in community activities - living side by side with caring neighbors like yourselves. Our waitlist for the opportunities we provide is growing daily! Our fundraisers are **crucial** in supporting our mission and your involvement at our 2026 Golf Outing will allow us to continue to offer and develop housing opportunities for people with unique abilities.

Thank you for your participation and commitment!

The Course

Pigeon Creek Golf Course features all the hallmarks of Michigan links style golf. Opened in 2000, the wide Kentucky Blue Grass fairways with Bent Grass PURE rolling greens are sure to bring your golf game a true delight!

Offering all levels of golfers an enjoyable experience with 4 different tees to choose from, the course also offers a few risk and reward holes that are sure to get you excited every time you step to the tee.
